**REQUEST FOR RECONSIDERATION OF**  
**PETITION UNDER 37 CFR 1.47(a)**

Honorable Assistant Commissioner  
for Patents  
Washington, DC 20231

**RECEIVED**  
**MAR 24 2003**  
**OFFICE OF PETITIONS**

Sir:

In response to a second Decision, dated August 23, 2003, to again dismiss a first Petition under 37 CFR 1.47(a), filed February 19, 2002, submitted herewith are the following documents:

1. Substitute Declaration and Power of Attorney (5 originals) executed by 5 of 7 joint inventors.
2. Second Petition under 37 CFR 1.47(a), with supporting Declaration of Traci L. Aston (including Exhibits A, B, C, and D).

Original Declarations and Powers of Attorney, executed by inventors Robert S. Coira, Joel D. Derstine, Christopher Panzica, Michael J. Kent, Theresa M. McNamara and Ann Kathleen Harding-Hesse and submitted to the United States Patent and Trademark Office along with the first Petition under 37 CFR 1.47(a), included a blank

space for inventor Matthew Biondi to indicate his citizenship. Mr. Biondi refused, multiple times, to complete and execute the original Declaration and Power of Attorney, as detailed in the first Petition under 37 CFR 1.47(a). As a result of Mr. Biondi's repeated refusal, the originally executed Declaration and Power of Attorney of the other inventors does not set forth Mr. Biondi's citizenship.

A first Decision, dated May 6, 2002, dismissing the first Petition required that a Declaration setting forth Mr. Biondi's citizenship be submitted to the United States Patent and Trademark Office in order for the first Petition to be granted. Ms. Frances Hicks, Lead Petitions Examiner, in a telephonic interview on July 3, 2002 indicated that only the previously executing inventors, not Mr. Biondi, need execute a Substitute Declaration and Power of Attorney, as Mr. Biondi previously refused to execute the original Declaration and Power of Attorney.

In a first Request For Reconsideration of the first Petition under 37 CFR 1.47(a), filed July 8, 2002, applicants' counsel indicated that a Substitute Declaration and Power of Attorney had been prepared, was in the process of being executed by the previously executing inventors, and would be filed with the United States Patent and Trademark Office upon execution. Additionally, the first Request For Reconsideration included a copy of the prepared Substitute Declaration and Power of Attorney.

The second Decision dismissing the first Petition, responsive to the first Request For Reconsideration, reiterates the requirement that a Declaration setting forth Mr. Biondi's citizenship be executed by the inventors signing on behalf of Mr. Biondi and be submitted to the United States Patent and Trademark Office for the first Petition to be granted.

Inventors Robert S. Coira, Christopher Panzica, Michael J. Kent, Theresa M. McNamara and Ann Kathleen Harding-Hesse have now executed the Substitute Declaration and Power of Attorney in accordance with the United States Patent And Trademark Office requirements. Inventor Joel D. Derstine, who executed the original Declaration and Power of Attorney, has not executed the Substitute Declaration and Power of Attorney. Accordingly, a second petition under 37 CFR 1.47(a) is filed herewith, requesting that the United States Patent and Trademark Office accept and proceed with examination of the above-referenced application notwithstanding Mr. Derstine's lack of execution of the Substitute Declaration and Power of Attorney.

It is requested that the dismissal of the first Petition under 37 CFR 1.47(a) be

reconsidered and withdrawn in view of the executed Substitute Declarations and Powers of Attorney and the second Petition under 37 CFR 1.47(a).

A Petition for an extension of time for five months under 37 CFR 1.136 is submitted herewith. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to the Deposit Account of Antonelli, Terry, Stout & Kraus, LLP 01-2135(1158.41559X00) and please credit any excess fees to such deposit account.

Respectfully submitted,

**PETITION UNDER 37 CFR §1.47(a)**

Honorable Assistant Commissioner  
for Patents  
Washington, DC 20231

Sir:

This Petition is filed concurrently with a Request for Reconsideration of a first Petition Under 37 CFR 1.47(a) requesting the Commissioner to accept, and proceed with the examination of, the above-referenced Application notwithstanding the refusal of co-inventor Matthew Biondi to execute an original Declaration and Power of Attorney. The undersigned also hereby petitions the Commissioner under 37 CFR §1.47(a) to accept, and proceed with the examination of, the above-referenced Application notwithstanding the unavailability or refusal of co-inventor Joel D. Derstine to execute a Substitute Declaration and Power of Attorney. In support of this Petition, it is respectfully submitted that:

1. The above-referenced utility patent application was filed on June 29, 2001, as acknowledged in the Filing Receipt and Notice to File Missing parts of Application dated August 17, 2001.

2. As set forth in the original Declaration and Power of Attorney, filed February 19, 2002, the co-inventors on the above-referenced application are Matthew Biondi, Robert S. Coira, Joel D. Derstine, Christopher Panzica, Michael J. Kent, Theresa M. McNamara and Ann Kathleen Harding-Hesse.

3. The original Declaration and Power of Attorney was executed by named co-inventors Robert S. Coira, Joel D. Derstine, Ann Kathleen Harding-Hess, Michael J. Kent, Theresa M. McNamara, and Christopher Panzica, but not co-inventor Matthew Biondi.

4. The first Petition Under 37 CFR 1.47(a) was filed simultaneously with the original Declaration and Power of Attorney requesting that the United States Patent and Trademark Office accept, and proceed with the examination of, the above-referenced Application notwithstanding refusal of co-inventor Matthew Biondi to execute the original Declaration and Power of Attorney.

5. In a Decision dated May 6, 2002 the United States Patent and Trademark Office dismissed the first Petition under 37 CFR 1.47(a) because the original Declaration and Power of Attorney was not in compliance with 37 CFR 1.63 and 1.64, as it lacked the citizenship of co-inventor Matthew Biondi. The Decision of May 6, 2002 requires that a Substitute Declaration and Power of Attorney be filed which includes the citizenship of co-inventor Matthew Biondi, in compliance with 37 CFR 1.63 and 1.64.

6. In a telephonic interview with Ms. Frances Hicks, Lead Petitions Examiner, on July 3, 2002, Ms. Hicks indicated that only the previously executing co-inventors, not Mr. Biondi, need execute a Substitute Declaration and Power of Attorney, as Mr. Biondi previously refused to execute the original Declaration and Power of Attorney.

7. In a first Request for Reconsideration of the first Petition Under 37 CFR 1.47(a), filed July 8, 2002 and responsive to the first Decision dismissing the first

Petition, applicants' counsel indicated that a Substitute Declaration and Power of Attorney had been prepared, was in the process of being executed by the previously executing co-inventors, and would be filed when executed by each of the previously executing co-inventors.

8. In a Decision dated August 23, 2002, the United States Patent and Trademark Office again dismissed the first Petition under 37 CFR 1.47(a), responsive to the first Request for Reconsideration, because the original Declaration and Power of Attorney was not in compliance with 37 CFR 1.63 and 1.64, due to the lack of the citizenship of co-inventor Matthew Biondi. The Decision of August 23, 2002 again required that a Substitute Declaration and Power of Attorney be filed including the citizenship of co-inventor Matthew Biondi, in compliance with 37 CFR 1.63 and 1.64.

9. A Substitute Declaration and Power of Attorney filed herewith has been executed by named co-inventors Robert S. Coira, Christopher Panzica, Michael J. Kent, Theresa M. McNamara, and Ann Kathleen Harding-Hess. Accordingly, co-inventors Robert S. Coira, Christopher Panzica, Michael J. Kent, Theresa M. McNamara, and Ann Kathleen Harding-Hess have signed the Application on their own behalf as well as on behalf of non-signing inventors Matthew Biondi and Joel D. Derstine.

10. As evidenced by the Declaration of Traci L. Aston, dated March 19, 2003 and submitted herewith, a copy of the original Declaration and Power of Attorney as executed by Mr. Derstine, a Substitute Declaration and Power of Attorney, including Mr. Biondi's citizenship, and a cover letter requesting Mr. Derstine to execute the Substitute Declaration and Power of Attorney and return the same were first forwarded via USPS (First Class mail) to Mr. Derstine at his last known address on or about August 9, 2002. No response from Mr. Derstine was received responsive to these forwarded materials.

11. As also evidenced by the Declaration of Ms. Aston, on or about February 25, 2003 a second copy of the originally executed Declaration and Power of Attorney,

a second copy of the Substitute Declaration and Power of Attorney, and a cover letter requesting Mr. Derstine to execute the Substitute Declaration and Power of Attorney and return the same by March 7, 2003 were forwarded via USPS (Certified Mail, Return Receipt Requested) to Mr. Derstine at his last known address. No response from Mr. Derstine was received responsive to these second forwarded materials.

12. As further evidenced by the Declaration of Ms. Aston, on or about March 6, 2003 Ms. Aston obtained a new address for Mr. Derstine from Mr. Richard Tierney.

13. As still further evidenced by the Declaration of Ms. Aston, on or about March 6, 2003 a third copy of the originally executed Declaration and Power of Attorney, a third copy of the Substitute Declaration and Power of Attorney, and a cover letter requesting Mr. Derstine to execute the Substitute Declaration and Power of Attorney and return the same by March 12, 2003 were forwarded via UPS (Next Day Delivery) to Mr. Derstine at the new address obtained from Mr. Richard Tierney.

14. As also evidenced by the Declaration of Ms. Aston and the UPS Tracking Summary, on March 11, 2003 Mr. Derstine received the materials forwarded via UPS.

15. As further evidenced by the Declaration of Ms. Aston, as of March 19, 2003, an executed copy of the Substitute Declaration and Power of Attorney has not been received from Mr. Derstine.

16. More recently, additional copies of the originally executed Declaration and Power of Attorney and Substitute Declaration and Power of Attorney were forwarded by the offices of Antonelli, Terry, Stout and Kraus, LLP, via Federal Express (Express Mail-overnight delivery, Return Receipt Requested), to Mr. Derstine at the new address obtained from Mr. Tierney, under a cover letter requesting that Mr. Derstine execute the forwarded Substitute Declaration and Power of Attorney and return the same to Antonelli, Terry, Stout and Kraus, LLP. Included in the most recently forwarded materials was a postage pre-paid and pre-addressed overnight

delivery envelope for Mr. Derstine's use in returning the executed Substitute Declaration and Power of Attorney. Should executed documents be received from Mr. Derstine, this filing shall be promptly supplemented with such.

17. It is respectfully submitted that, as evidenced by the attached Declaration of Traci L. Aston and the UPS Tracking Summary, (i) a diligent effort has been made to obtain a signature on the Substitute Declaration and Power of Attorney by Joel D. Derstine, (ii) inventor Derstine has refused to execute the Substitute Declaration and Power of Attorney, and (iii) all available joint inventors (i.e. Robert S. Coira, Christopher Panzica, Michael J. Kent, Theresa M. McNamara, and Ann Kathleen Harding-Hess) have executed the Substitute Declaration and Power of Attorney on their own behalf and on behalf of non-signing inventor Joel D. Derstine, as well as on behalf of non-signing inventor Matthew Biondi.

18. In view of the above, it is respectfully requested that the Commissioner find that co-inventor Joel D. Derstine has refused to execute the above-referenced Substitute Declaration and Power of Attorney, that co-inventor Matthew Biondi has refused to execute the above-referenced original Declaration and Power of Attorney, and that the Application be entered in the name of the joint inventors who have executed the Substitute Declaration and Power of Attorney on their own behalf and on behalf of the non-signing inventors Joel D. Derstine and Matthew Biondi.

19. In summary, it is respectfully submitted that the mandates of 37 CFR 1.47(a) have been fulfilled and the above-referenced application should be entered notwithstanding non-execution by two of the seven joint inventors. Accordingly, it is respectfully requested that this Petition be GRANTED and prosecution of the Application be allowed to proceed.

It is respectfully requested that the undersigned be contacted by telephone at the below listed local telephone number, in order to expedite resolution of any remaining issues, if any further comments, questions, or suggestions arise in connection with the application.

Please charge any shortage in fees due in connection with the filing of this paper, including petition fees, to the Deposit Account of Antonelli, Terry, Stout & Kraus, LLP 01-2135(1158.41559X00) and please credit any excess fees to such deposit account.

**DECLARATION OF TRACI L. ASTON UNDER 37 CFR §1.47(a)**

Honorable Assistant Commissioner  
for Patents  
Washington, DC 20231

Sir:

I, Traci L. Aston, hereby state that:

1. I am Executive Assistant to Randy McCoy, Executive Vice President and Chief Technology Officer of CheckFree Corporation. (hereinafter "CheckFree").

2. According to CheckFree's business records, Mr. Joel D. Derstine terminated his employment with CheckFree on January 6, 2001 and his last known address was 1355 Dearborn, Apartment 404, Chicago, IL.

3. On August 9, 2002, I instructed CheckFree's mail room to deposit, with USPS (First Class Mail), a Substitute Declaration and Power of Attorney in connection with the above-referenced application and a copy of an original Declaration and Power of Attorney in connection with the above-referenced application previously executed by Mr. Derstine, addressed to Mr. Derstine at 1355 Dearborn, Apartment 404, Chicago, IL, 60610, under a cover letter of the same date, executed by myself on behalf of Hans Dreyer, Director of Intellectual Property and Patents for CheckFree, requesting that Mr. Derstine execute the forwarded Substitute Declaration and Power of Attorney and return

the executed document to CheckFree and explaining why he was being requested to execute the Substitute Declaration and Power of Attorney. Additionally, I included a postage pre-paid and pre-addressed envelope for Mr. Derstine's use in returning the executed document. A copy of the Forwarded Materials is attached hereto as Exhibit A.

4. On February 25, 2003, after not receiving an executed Substitute Declaration and Power of Attorney from Mr. Derstine, I instructed CheckFree's mail room to deposit, with USPS (Certified Mail, Return Receipt Requested), a second copy of the Substitute Declaration and Power of Attorney, a second copy of the originally executed Declaration and Power of Attorney, and a copy of the cover letter of August 9, 2002, addressed to Mr. Derstine at 1355 Dearborn, Apartment 404, Chicago, IL, 60610, under a cover letter of the same date, executed by myself, requesting that Mr. Derstine execute the forwarded Substitute Declaration and Power of Attorney and return the executed document to CheckFree by March 7, 2003. Additionally, I included a postage pre-paid and pre-addressed envelope for Mr. Derstine's use in returning the executed document. A copy of the Certified Mail receipt and the Forwarded Materials is attached hereto as Exhibit B.

5. On March 5, 2003, after not receiving an executed Substitute Declaration and Power of Attorney from Mr. Derstine, I sent a request for Mr. Derstine's current address to Richard Tierney, Vice President of Product Management at CheckFree's Jersey City, New Jersey office, via electronic mail. On March 6, 2003 I received an electronic mail response from Richard Tierney indicating Mr. Derstine's address as 747 West Cornelia, 2B, Chicago, Illinois 60657. A copy of the electronic mail communications between Mr. Tierney and myself are attached hereto as Exhibit C.

6. On March 6, 2003, I instructed CheckFree's mail room to deposit, with UPS overnight mail, a third copy of the Substitute Declaration and Power of Attorney, a third copy of the originally executed Declaration and Power of Attorney, and a second copy of the cover letter of August 9, 2002, addressed to Mr. Derstine at 747 West Cornelia, 2B, Chicago, Illinois 60657, under a cover letter of the same date, executed by myself,

requesting that Mr. Derstine execute the forwarded Substitute Declaration and Power of Attorney and return the executed document to CheckFree by March 12, 2003. Additionally, I included a postage pre-paid and pre-addressed UPS envelope for Mr. Derstine's use in returning the executed document. The materials of March 6, 2003 were delivered to Mr. Derstine on March 11, 2003. As of March 21, 2003, a copy of the Substitute Declaration and Power of Attorney executed by Mr. Derstine has not been received and Mr. Derstine has not contacted me in any way with respect to the Forwarded Materials or for any other reason. A copy of the Forwarded Materials, a UPS Shipping Receipt addressed to Mr. Derstine, a UPS return Shipping Receipt addressed to Hans Dreyer at CheckFree, and a UPS Tracking Summary showing Mr. Derstine signed for the forwarded materials on March 11, 2003 are attached hereto as Exhibit D.

7. Dear Mr. Derstine:

The United States Patent and Trademark Office requires a Substitute Declaration and Power of Attorney in the above-referenced case which includes the citizenship of each of the co-inventors. Unfortunately, the citizenship of one co-inventor was not included on the originally filed Declaration and Power of Attorney.

Enclosed you will find a Substitute Declaration and Power of Attorney identical to the previously filed Declaration and Power of Attorney, except that the missing citizenship has been included in compliance with the requirements of the United States Patent and Trademark Office. Also, enclosed is a copy of your originally executed Declaration and Power of Attorney. Please execute this Substitute Declaration and Power of Attorney and have the same returned to our office in the enclosed stamped envelope at your earliest convenience.

If you have any questions regarding this matter, please do not hesitate to contact me at (614) 564-3019.

Title: "System and Method for Multiple Account  
Single Security Trading"  
Our Ref.: 3350-112 -- Our File No.: 1158.41559X00

Dear Mr. Derstine:

The United States Patent and Trademark Office requires a Substitute Declaration and Power of Attorney in the above-referenced case which includes the citizenship of each of the co-inventors. Unfortunately, the citizenship of one co-inventor was not included on the originally filed Declaration and Power of Attorney.

Enclosed you will find a Substitute Declaration and Power of Attorney identical to the previously filed Declaration and Power of Attorney, except that the missing citizenship has been included in compliance with the requirements of the United States Patent and Trademark Office. Also, enclosed is a copy of your originally executed Declaration and Power of Attorney. Please execute this Substitute Declaration and Power of Attorney and have the same returned to our office in the enclosed stamped envelope at your earliest convenience.

If you have any questions regarding this matter, please do not hesitate to contact me at (614) 564-3019.

Sincerely,
